

BIRD TABLE LAMP 21,5CM

Discover our newest addition, the Bird Table Lamp, available in several beautiful colors. Each lamp is handcrafted in Varberg, blending Belid's heritage with modern design in a harmonious manner. The asymmetrical shape and metal construction give each color variation a unique touch, making each lamp a work of art in itself. Enjoy the soft, warm light emitted from the opal glass and let it illuminate your interior. Created by Design Färg & Blanche.
