

FOLD OFFICE PENDANT G2 116CM

Unique details and material choices make Fold an advanced product. Cast fittings and stamped details define solid craftsmanship to convey the idea that metal embraces light. Introducing Fold Office, our designed suspended workplace lighting. Fold Office is equipped with LED panels for both direct and indirect lighting and can be smoothly adjusted for personalized illumination through two spring-loaded switches on the fixture's underside. The task lamp has a length of 116 cm, a width of 13,1 cm, and a height of 5,4 cm. The ceiling cup is 64 cm long. It features 43W LED lighting, providing both upward and downward light. 3000 Kelvin and 5200 Lumen. Textile cord, length 3m. Mounting, fixed installation.
