

BELID

HORISONT TABLE LAMP 36,5CM

A classic with a modern twist. Created with inspiration and grounding in both Belid's history and Varberg's coastal location. A contrasting and balanced design with a strictly slimmed shade, mouth-blown glass, and a floating top detail. The horizontal lines in the design language allude to the breathtaking horizon of the open sea, and together create a whole that is classic yet modern.

Article Number	4407524
Socket	G9
