

PICASSO PENDANT 18CM

The Picasso pendant embodies a unique style with an elegant touch – a beautifully designed ceiling lamp crafted from high-quality metal, envisioned by Joakim Fihn and featuring shades in various sizes to provide a soft, diffused light. This pendant assists in creating a cozy atmosphere in your home and will undoubtedly become the focal point of the room, whether suspended over the coffee table or dining table. To ensure the pendant seamlessly integrates into your home decor for years to come, we've chosen to keep the design simple and elegant. Picasso's metal shades in different sizes create a beautiful illumination. Light source not included. G9 socket. 4 watts. Dimmable. IP20. Cord is 3 meters long. Height 11 cm and diameter 18 cm. Easy to assemble with hook suspension. Class II. Designed by Joakim Fihn.
